This **11 Days Cebu Bohol Adventure** combines heritage, culture, and nature in a journey through two of the Visayas' most captivating islands. The trip begins in **Cebu City**, the "Queen City of the South," where history comes alive at landmarks such as **Magellan's Cross**, the **Sto. Niño Basilica**, and **Fort San Pedro**, reminders of the Philippines' Spanish colonial past. From there, the ferry crosses to **Bohol**, famous for the surreal **Chocolate Hills**, the serene **Loboc River Cruise**, and the chance to encounter the world's smallest primate, the **Philippine tarsier**. The adventure continues with island-hopping at **Balicasag**, where colorful reefs teem with fish and corals, and returns to Cebu's southern coast for mountain and spring stops before reaching **Oslob**, known worldwide for encounters with gentle **whale sharks** and the fairy-tale cascades of **Tumalog Falls**. The route then flows to **Moalboal**, a diver's paradise home to the dazzling **sardine run** and calm white-sand beaches. The grand finale is a day of thrilling **canyoneering at Kawasan Falls**, leaping into turquoise pools framed by jungle cliffs. This journey promises not just sightseeing, but a deep connection with the Visayas—its history, its people, and its natural wonders.
